Sprecher rezitiert den Text frei über dem Cello
(Sprechdauer 60 bis 70 sec.)

Spr. |||

Hüften, Mägen und hitzige Fieber lassen den Tod bitterer erscheinen als Wermut...
...den ganzen Tag müde, schwach und verdrossen...
Ich sehe ohne Augen, habe keine Zunge und schreie...
Ich nähre mich von Schmerz und lache, wenn ich weine...
zerbrochne Säule, Lorbeer schwarz von Frost
sie gaben Schatten meinen müden Sinnen...
Mein Leben ist von trüber Ahnung schwer
mich schreckt der Träume, der Gedanken Nacht...
